#### David Shields Photography@ The Lion and Lamb

Back in the summer of 1997, after a long and successful period in retail management, I decided it was time to concentrate on my real passion ..... photography. After attending South East Essex College, I graduated in the discipline soon thereafter. Now a full time photographer, I spend my time between my home in Leigh on Sea and travelling the world with my cameras.

With my passion being travel photography, it has enabled me to document many journeys and locations, from the cities of New York and Venice, to the Camino de Santiago, the Pilgrims route which spans Northern Spain.

The images on display here at The Lion and Lamb were taken during my latest visit to New York in 2009. Framed Prints £95.00 each
